## **LETTINGS AND LETTINGS CHARGES POLICY**

### **1. Adoption**

The school governors at their meeting on **Thursday, 1<sup>st</sup> February 2018** have adopted this lettings policy and the scale of charges set out below

### **2. Policy Objectives**

The governors endorse the City Council's Hire of School Premises Policy and recognise the principles therein, namely :-

- (i) that school premises represent a significant capital investment and should be utilised as a valuable community resource;
- (ii) educational usage of our premises constitute a natural priority;
- (iii) that a profit margin is desirable when derived from commercial usage but this is not the overriding objective when facilitating education activity and community activity by recommended users.

### **3. Priority Usage**

The governors have agreed the following categories of priority user :-

- (i) statutory users;
- (ii) recommended users;
- (iii) commercial users.

The governors have adhered in each case to the definitions identified in the City Council's Hire of School Premises Policy document (appendix 1).

### **4. Applications for Recommended Status**

The governing body have delegated their power to determine recommended status to the headteacher/school business manager who will exercise discretion on their behalf to determine those organisations that are in addition to any organisation already identified by the City Council, who may have recommended status at Tranmere Park Primary School . These organisations are listed at section 5. The outcome of such decisions shall be matter of report to the governing body each term. This does not preclude the headteacher/school business manager from referring sensitive applications to the full governing body at their discretion.

### **5. Categories of Recommended and Commercial**

The governors have decided that for the purpose of charging there will be three categories of recommended user and there will be one categories of private user. The table below provide definitions of these user groups.

## 6. Scale of Charges

In arriving at their scale of charges the governors have followed the following principles:-

- (i) that statutory users will be charged an amount commensurate with statutory regulations;
- (ii) that recommended users will be charged no more than the set scale of recommended charges identified by Leeds City Council
- (iii) consideration has been given to subsidies being applied to some recommended users;
- (iv) that commercial users should be charged at least cost, plus an income margin for the school if desired
- (v) that there will be parity of treatment for similar users

For the purposes of charging, the headteacher/school business manager are empowered to determine to which charging group any individual or organisation belongs, Any organisation already identified by the Lettings Unit as having recommended status should not be charged more than the recommended hire charges determined by the City Council (group B). The basis of charging will be determined by the type of organisation hiring the premises, the purpose for which the letting is arranged and the period of time when the letting taken place – as detailed in Appendix 1.

The scale of charges relating to the stated categories of users are detailed in table 2. below. Discounts form part of the scale of charges in table 2 and are the only permitted variations to the standard charges. No member of staff is allowed to vary or to deviate from the governors published charging policy. The governors are constrained by law to apply value added tax to all transactions where this is appropriate. The Governing Body has the power to use available funding to provide a further subsidy where a particular group is determined by the Governing Body to be making a significant contribution to its extended services provision. Governors will review charges annually and will apply a 5% increase.

## 7. Conditions of Hire

The Governors endorse the City Council's Hire of School Premises Policy and agree to follow the terms and conditions laid out in the document supplied to the school. No member of staff is allowed to vary the terms and conditions on which the school premises are hired to either individuals or organisations.

The governors reserve the right to impose additional hire conditions where necessary and will inform Education Leeds Lettings Unit in writing where these apply, who will ensure any additional conditions are detailed on the hire agreement.

## 8. Administration of Lettings

The governors recognise that it would be impossible for them to personally vet every applicant or organisation who wish to make use of the school premises. Accordingly they have delegated the authority to Leeds City Council Lettings Unit to receive applications on their behalf, who will then consult with headteacher/school business manager to accept /decline applications for hire of the premises.

All hiring of the schools premises, including those for which no charge is made, shall be properly documented. All hirers **must** complete a letting via the Leeds City Council Lettings Unit before hire of the premises commences. All hirers having completed a letting receive a copy of the conditions of hire and will hold a legal hire agreement. The hire agreement is a contract which the governors may enforce at law.

## 9. Security / Safeguarding

The governors are mindful of their responsibility to protect the City Council's assets and safeguard young persons and vulnerable adults using school premises. With regard to security of assets governors would normally insist upon continuous caretaking presence in view of leaving the school vulnerable to theft or damage. However they reserve the right and delegate power to the headteacher to make variations where in his/her judgement continuous caretaking presence is not justified. With regard to safeguarding, governors agree to procedures included in the conditions of hire document.

## 10. Review of Policy

The governors will review the policy each year and the scale of hire charges for the forthcoming year will also be reviewed and updated

**Appendix 2**

**Definition of Terms**

**Recommended Lettings** : These are lettings that fall within the City Council Policy for favourable charging treatment in their use of schools. The Leeds City Council Policy is set out at appendix 1 of this document.

**Commercial Lettings** : These comprise all lettings other than those falling under the category of Recommended Lettings. It is expected that these lettings should be charged at full cost to the hirer. Schools may however consider that, although a group or individual falls outside of the categories set out at section 6, it is desirable to ensure that access is affordable for particular individuals or groups and charge less than economic cost.

**Charging Policy** : Regard must be paid to the legal principles concerning charging for community facilities. Schools should set out in a governor approved Charging Policy what rates they wish to charge hirers of school facilities. In the case of both Recommended and Commercial Lettings schools should operate within the general principle that the use of school facilities by outside bodies should not be at the expense of school activities.

**Statutory Users** : These users have their right to use a school backed by specific legislation. The only such use of schools is concerned with use for elections- Council, National or European.
