'Everyone Included Every- one Special'

We believe that everyone in our school has a right to feel safe, secure and happy.

Bullying:-

- is hurting someone on purpose
- is making someone feel unhappy or scared
- is when it is hard for those being bullied to stop it happening.

Racism:-

- is any unfriendly or nasty behaviour towards someone because of their skin colour, religion or cultural background.

At our school we will not:

- hit
- kick
- mess with or take other peoples things
- call people names
- be nasty about people because of who they are
- make threatening or racist remarks
- spread nasty stories about someone, including and email
- play unkind jokes
- leave people out

by text

We will:

- respect everyone
- look out for each other
- tell an adult if you or anyone else is being bullied
- tell an adult if someone is making racist comments towards you or others
