Children of the World

Song 1 Gabriel Calling

CHORUS

Gabriel calling, calling all angels,
Stars are shining bright.
Gabriel calling, calling all angels,
Gather round the manger tonight.

Messengers flying high, into the Christmas sky,
Travel to lands far and near.
Messengers flying high, into the Christmas sky,
Bringing children here to worship.

CHORUS

Gabriel calling, calling all angels,
Stars are shining bright.
Gabriel calling, calling all angels,
Gather round the manger tonight.
Gather round the manger tonight.
Children of the World

Song 2  Alleluia

All

1  Here is the starlight over the cradle,
   Here is the angel waiting to sing,
   Here is the baby born in a stable,
   Here is the baby born to be king.

Solo
Alleluia, alleluia, alleluia, alleluia.

All

Alleluia, alleluia, alleluia, alleluia.

2  Here are some shepherds coming to worship,
   Here are the kings who’ve followed the star,
   Here are the children guided by angels,
   Bringing their love from lands afar.
   Alleluia, alleluia, alleluia, alleluia.
   Alleluia, alleluia, alleluia, alleluia.
Solo
Search the sky on Christmas Eve,
Who will see the star?
Hear the children laugh and shout,
*(spoken)* COME OUT! Wherever you are.

All
Search the sky on Christmas Eve,
Who will see the star?
Hear the children laugh and shout,
COME OUT! Wherever you are.

CHORUS
Gwiazdka – little star,
Shine your golden light.
Gwiazdka – little star,
Bless our feast tonight.

Search the sky on Christmas Eve,
Who will see the star?
I have seen you! There you are,
Shining from afar.

CHORUS x2
Decorate the tree of light,
With our lanterns burning bright,
Welcoming the newborn king tonight.
Little Jesus in the hay,
Born for us on Christmas Day,
Let our Christmas lanterns light your way.

(Dance)

Little Jesus, tiny king,
You are Lord of everything.
Hear our Christmas carols as we sing.
Children of the World
Song 5       Christmas Day on the Beach, Boys

1 Christmas Day on the beach, boys,
   Christmas Day in the sun.  (clap, clap)
   We are having a Barbie,
   We are having some fun.  (clap, clap)

CHORUS
   Welcome baby Jesus,
   Born in Bethlehem,
   Born to bring the message,
   Peace and love to all men.

2 Baby born in a stable,
   Down in Palestine. (clap, clap)
   He knows all about sand, man,
   So we’re doing just fine. (clap, clap)

CHORUS x2
We have no gifts to offer Him,
Jesus Christ our baby King.
We will serve Him all our days
In joyful songs of everlasting praise.

Kuyimba, kuyimba, kuyimba.
Come to the manger on Christmas Eve, alleluia.
Come to the manger, all who believe, alleluia.
God has sent his own Son down,
Spread the message all around,
There’s a new king in town! Alleluia, alleluia.

Come to the manger you shepherds and kings, alleluia.
Come to the manger on angels’ wings, alleluia.
Come and join the gospel choir,
Raise your voices higher and higher,
We can set the world on fire! Alleluia, alleluia.

Come to the manger from every land, alleluia, (alleluia)
Come to the manger o’er sea and sand, alleluia, (alleluia).
Come and worship here today, (oh yeah, yeah, yeah)
Kneel before the King and pray, (oh yeah, yeah)
Join together now and say,
Alleluia (alleluia), alleluia (alleluia),
Alleluia.
Children of the World

Song 8          Christmas Candle

Light a candle to shine in the darkness,
Guiding Mary and Joseph this way,
Light a candle to send out the message,
‘Come in, you are welcome to stay.’

CHORUS

Christmas candle, guiding light,
Christmas candle burning bright.

Light a candle to shine in the window,
To chase away fear and despair,
Light a candle to send out the message,
‘We have plenty of kindness to share.’

CHORUS

Christmas candle, guiding light,
Christmas candle burning bright.

Light a candle to shine in the darkness,
With its tiny but powerful light,
Light a candle to send out the message,
‘Christ Jesus was born on this night.’

CHORUS

Christmas candle, guiding light,
Christmas candle burning bright.
Children of the World
Song 9

CHORUS

Children of the world celebrate Christmas,
Children of the world wherever you are,
Children of the world singing together,
Make the light of hope shine like a star.

Join together,
Let our hands circle the earth,
Join together,
Celebrate Jesus’ birth.

CHORUS

Children of the world celebrate Christmas,
Children of the world wherever you are,
Children of the world singing together,
Make the light of hope shine like a star.
Shine like a star,
Wherever you are,
Children of the world.
