General School Information/Dates

Site Security during the school day

Can we politely ask any parents/carers entering school via the side gate during the school day NOT to hold the gate open to allow anyone else to 'tailgate' through the gate too. This is to ensure that the school office is aware of everybody entering the school premises and that any visitors report to the school office for the appropriate I.D. checks.

Mission to Mars: Competition for 5-14 year-olds

Countries across the world are aiming to send the first humans to Mars in the near future. But how would they survive the journey and the alien conditions on Mars?

The Physiological Society is challenging young people to share their ideas on how a human could make this difficult trip and live on Mars. The winners will have the opportunity to meet a real astronaut and win prizes for their school.

5-7 years old:

All astronauts need a space suit - what would a space suit designed specifically for a Mars mission need to look like? We are inviting pupils aged 5 – 7* to draw (and label) a space suit that an astronaut might wear on a mission to Mars. **Top tips:** Think about what space might be

like for different parts of the body. What could the space suit include to protect your body and help you move around?

8-11 years old:

It would be great if the first astronauts going to space knew what to expect! We are inviting pupils aged 8 – 11* to write a 500 word story or cartoon (maximum 16 panels) that captures the experience of the first man or woman on Mars. **Top tips:** Do some research on how space travel might affect your body. Think about how you might feel getting off the space ship and seeing Mars for the first time. What will you need when you get there? What will you do during your time on Mars?

Important Information regarding child safety on TikTok

TikTok is a video-sharing app. Users can upload and share short videos of themselves lip-syncing to songs or acting out comedy sketches, and add special effects. They can gain followers ('fans') and browse other people's videos.

You may have heard of the app by its previous name: Musical.ly. Everything that was on Musical.ly is now on TikTok. If your child previously had a Musical.ly account they will be able to access their content on TikTok.

Attached to tonight's Tranmere Times is an information leaflet we have been asked to pass onto parents giving information about safety concerns regarding this site.

Letter re PGL 2020

A letter has been sent home this week to parents/carers of current Year 5 pupils about the PGL France Residential in 2020. It is essential that if you would like to secure a place for your child the reply slip and deposit are returned to school by **Thursday 16th May**. We would also be grateful if parents would inform school if their child will NOT be participating in this trip. This deadline must be adhered to in order for school to secure the booking with PGL. Thank you to all those parents who have already returned their deposit.

Holiday Club Update

We are once again pleased to inform you that we are able to provide Holiday Club care for 30 children daily during the **first 3 weeks** of the summer holidays, Monday – Friday, commencing Monday, 22nd July, 29th July and 5th August 2019. All activities will take place on site and the club will be led by a member of Tranmere Park teaching staff, supported by 2 members of support staff.

The club will be open to current Tranmere Park children only from 8.00-5.30pm and the cost will be per child £25.00 per day, £125.00 per week.

A letter with full details of the holiday club is attached to tonight's Tranmere Times.

Blue Inhaler found in school

A blue inhaler has been handed into the school office. If your child currently carries an inhaler could you please check with them that they still have it. Please contact the school office if you think it may be yours.
