Examples

- Demonstrate using phonics as the prime approach to decode words while children can see the text, e.g. using big books.
- Provide varied texts and encourage children to use all their skills including their phonic knowledge to decode words.
- Provide some simple texts which children can decode to give them confidence and to practise their developing skills.
- Play games like word letter bingo to develop children's phoneme-grapheme correspondence.
- Model to children how simple words can be segmented into sounds and blended together to make words.
- Support and scaffold individual children's reading as opportunities arise.
- Provide word banks and writing resources for both indoor and outdoor play.
- Provide a range of opportunities to write for different purposes about things that interest children.
