Please complete a minimum of two tasks per half term to be returned no later than Monday 21st October 2019. You may present your work in any way that you wish. We look forward to seeing some of your amazing creations! Have fun!

	Task option 1	Task option 2
Remember	Learn about a significant fashion designer that someone in your family knows about - why were they memorable?	Why was Hugo Boss a controversial fashion designer? Find out!
Understand	Find out about fashion from a particular decade and present your findings in an interesting way.	What impact did the Second World War have on women's fashions?
Apply	Create a mood board of things you like to inspire a fashion creation - think carefully about colour combinations.	Find out about hair fashions and styles from the past and design your own hair style based on a particular trend.
Analyse	Do your parents regret their fashion disasters? Can you find an old photo of a relative wearing out of fashion clothing - why are they unfashionable now?	How have firefighters protective outfits evolved over the last 100 years. Can you explain why you think they needed to change?
Evaluate	Do you think the clothes that you wear now will fall out of fashion? Try to predict what the next big fashion will be! Present this any way you like.	Choose a material that might be used for clothing and test it to see if it is waterproof and durable. Record your findings.
Create	Learn to knit or sew! Create something using your new skill.	Can you design and make an outfit using recyclable materials and bring it in to school for our 'Trashion' show exit point on Tuesday 22nd October 2019. (further information to come!)
