

Thematic Route Plans

Tranmere Park Primary School achieves excellent results in terms of academic success. Our children make rapid progress from the Early Years Foundation Stage (EYFS) and do extremely well when compared with national and local results at the end of EYFS, Key Stage One and Key Stage Two. Our stimulating curriculum teaches core skills in English, maths and science whilst actively promoting all other curriculum areas, including French which is taught from Reception through to Year 6. It is reassuring for parents to know that we have a proven track record of supporting children successfully to meet their full potential across the curriculum.

We are proud of our exciting thematic curriculum offer. Our aim is to ensure that our creative curriculum, which has a rigorous focus on the core skills of English, maths and science, ensures pupils transfer to High School fully equipped for the next stage of their learning and with the essential values required of citizens in modern day Britain.

Thematic Route Plans Main and RE EYFS Themes

The following topics for EYFS are a general ‘umbrella’ theme, to ensure that we cover all aspects of the EY curriculum. We tailor what activities we teach depending on the children’s interests each year.

EYFS	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Cycle 1	All About Me	Celebrations	Up and Away	Changes	Animals	Local History and Book Study
Cycle 2	Ourselves	Celebrations	Let's Pretend	Food and growing plants	Treasure, sand and water	Local Geography and Book Study
Re	Where do we live and who lives there?	How do Christians celebrate Christmas?	What makes a good helper?		What can we see in our wonderful world?	Who and what are special to us?

Thematic Route Plans
