Project 5								
Friendship bench on KS2 playground.						Red Olivia	Bench/sign put onto KS2 playground. Ch need to be told.	End of Autumn term
Our successes					Things we can't do (sorry!)		Why we can't do them	
<ul style="list-style-type: none"> Project - A digging or planting area outside / more opportunities to do that. What has been done? - More Muddy Puddle days. 					1) Get a school pet.		We don't have enough space or money for a pet and there would be nobody to look after it in the school holidays.	
<ul style="list-style-type: none"> Project - Outdoor classroom to be fixed. What has been done? – Over the summer holidays and Autumn term, the outdoor classroom has been built and children have been using it already. 					2) Put a 'girls only' football day on the rota.		We used to have one, but not many girls joined in. When asked, the girls said that they just preferred to play with the boys.	
<ul style="list-style-type: none"> Project - What has been done? - 					3) A different team point system for just Year 6.		We have a whole school system that was only updated last year. We will stick with it to see if it improves. Remember the extra playtimes you get if you win.
