

# Tranmere Park Primary School

The government has provided additional funding of £150 million each year from 2013 to 2014, 2014 to 2015, 2015 to 2016, 2016 to 2017, 2017 to 2018, 2018 to 2019 and 2019/2020 to improve provision of physical education and sport in primary schools. This funding has again been allocated to schools for the academic year 2020/2021 and is ring-fenced, therefore can only be spent on provision of PE and sport in school.

Our total grant for 2020/2021 is £18,850 and £14,329.74 carried over from the previous academic year due to COVID-19.

## How will we invest this at Tranmere Park Primary School?

At Tranmere Park, we have developed a provision plan to ensure this funding is invested to maximise the long term impact of our PE provision for pupils and staff. The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, staff and pupil feedback, uptake of clubs etc.

## Provision Plan for 2020-2021

### **Appendix**

Ofsted directs inspectors to consider the impact of the funding on pupils' lifestyles and physical wellbeing by taking account of the following factors (as listed in Subsidiary guidance: Supporting the inspection of maintained schools and academies Ofsted, January 2014; reference no: 110166)

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health
