

**School Council**  
**Autumn Term 2020**

Over this term we have re-elected our new School Council. Our pupils were asked to explain why, how and what it means to be a dedicated member of our School Council team. Each class then voted for the best candidate. Well done to all the following children who will represent our School Council team this year.

<b><u>Name</u></b>	<b><u>Class</u></b>
Sia Kholi	Eagles
Sofia Standen	Skylarks
Ella Kirkpatrick	Hérons
Dylan Llewellyn Richards	Red Kites
Jessica Cooke	Woodpeckers
Max Wareing	Falcons
Noah Henderson	Puffins
Caden Llewellyn Richards	Kingfishers
Josie Kinghorn	Doves

Our first mission for the Autumn term was the launching our Anti bullying week. This year's theme was 'United Against Bullying.'

Each member of the school council took part in a small presentation explaining to their fellow class mates what is meant by bullying and reassured our pupils that our staff are here to listen to them. They also talked about our anti-bullying policy STOP and where/who to talk to in school if they felt they ever had a problem.

**S** – Several                      **T** – Times                      **O** – On                      **P** – Purpose

We have also thought about how we can support our pupils in developing their mental health and well-being. So, we launched a new competition – 'Keep calm and carry on.'

We asked our pupils to design a poster that gives great tips on how to keep calm and relaxed during these difficult times. The response was amazing and we found it very difficult to choose our winners. We have now displayed the posters around school.

Watch this space in the coming months for new exciting projects.
