

Vocabulary and pictures for children:

Possible tasks and key questions for children to discuss with adults:

- Can you talk about what a superhero might look like?
- Can you name any superheroes?
- Try to draw a picture of a superhero saving something and write underneath what is happening.
- Can you use a fiction book to retell a superhero story?
- Talk about how superheroes might save someone.
- Explain to a grown-up different types of powers a superhero will have.
- Create a trap for a superhero to catch a villain... where will you hide the trap?
- Can you read a story book about superheroes then act it out?
- Can you sing any songs about superheroes?

Key vocabulary – Can you help your child to be able to explain what these words mean?
