

School Council @ Tranmere Park Primary School – 2022/23

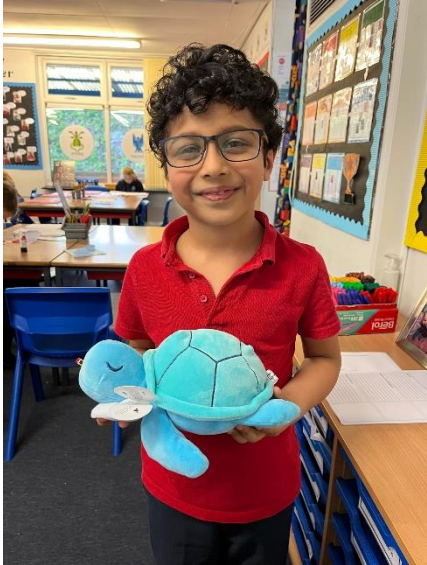

This year, our school council representatives have decided that all projects they take on, will fall under 4 main categories. These are: pupils, school grounds, the community and teachers. Every individual project will focus solely on one of these categories, with the aim of enhancing provisions, well-being and links within the chosen area.

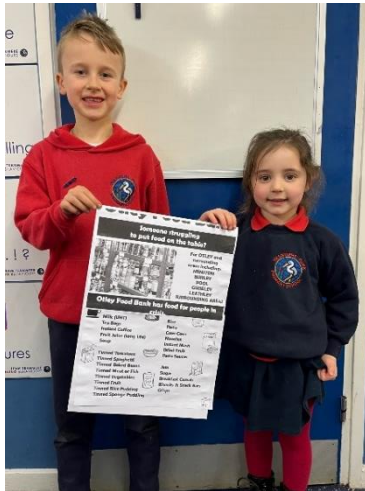

School Council Projects/Tasks

2022/23 (On-Going Document)

| Project | Category | Pupils Involved | Details | |
|-----------------------------|---|----------------------------|--|---|
| Class Speeches | Pupils, school grounds, the community and teachers. | All School Council Members | After elections, the new school council members will deliver a mini-presentation to their own class. They will share who they are, what their role is and our new school council project categories of pupils, school grounds, the community and teachers. |  |
| Suggestion Boxes | Pupils, school grounds, the community and teachers. | All School Council Members | Each school council member will create a suggestion box to place in their classes. Pupils can use this to make suggestions / share their ideas of how to improve the school, focusing on our new 4 main project areas. |  |
| KS2 Chill Out Tuesdays Club | Pupils | KS2 School Council Members | A lunchtime club held for pupils who just need a bit of chill time throughout the week. For the first half-term, this will be run by KS2 school councillors and will be open to KS2 children. |  |

|--|-----------------------|--|--|--|
| <p>Teacher Shout Outs</p> | <p>Teachers</p> | <p>Reception and KS1 Council Members</p> | <p>A token of appreciation for our teachers. Reception and Key Stage 1 pupils will choose a different teacher each week to receive a shout-out. This includes a message to say thank you for all their help and a little sweet treat. These are delivered 'secretly' by the team at lunch.</p> |  |
| <p>Anti-Bullying Week. Odd Sock Day. Odd Sock Competition.</p> | <p>Pupils</p> | <p>All School Council Members.</p> | <p>All councillors will discuss with their class that Anti-Bullying Week will take place between the 14th and 18th of November. They will also share that they would like all children to show their support by coming into school on Monday in a pair of odd/crazy socks. No donation needed.</p> <p>An 'odd sock' competition will also be held by councillors. All pupils will design a pair of crazy/odd socks which will be judged by the council team.</p> |  |
| <p>Save Energy Signs</p> | <p>School Grounds</p> | <p>All School Council Members</p> | <p>When thinking about how we could help to make the school 'greener' and save energy, the council team discussed that as a school, we waste a lot of energy by leaving lights and monitors on all day. It was decided that the team would create signs to help remind people to switch off their lights and monitors when they leave the classroom at times such as break and lunch, to help save some energy.</p> |  |

| | | | | |
|------------------------------|------------------|-----------------------------------|---|--|
| <p>Adopting a Sea Turtle</p> | <p>Community</p> | <p>All School Council Members</p> | <p>The council team have adopted a sea turtle from the Olive Ridley Project. Their mission is to help save injured sea turtles and remove plastic ghost nets from the oceans.</p> <p>As part of the adoption, we have been given a toy turtle. Council members will take turns in looking after this in their class. Whilst looking after this, they will discuss the adoption, the Olive Ridley project and if there are any other ways in which they could help save the turtles.</p> <p>https://www.youtube.com/watch?v=EX11fgDOYQ&list=TLGGSu5IJd92CgYxMjExMjAyMg&t=46s</p> <p>https://oliveridleyproject.org/</p> |  |
| <p>Saving the Oceans</p> | <p>Community</p> | <p>All School Council Members</p> | <p>Just after the council started their sea turtle adoption, school received a 'Mission Oceans' invention book from the Little Inventors. This book is all about getting us to think about how we could help save the oceans through creating weird and wonderful inventions.</p> <p>The council team thought this would match perfectly with their sea turtle mission and so decided this book would also be passed round the classrooms – children will read this together and come up with innovative ideas on how they could help save the oceans!</p> |  |

| | | | | |
|--|--------------------------------|------------------------------------|---|--|
| <p>Shed Monitors</p> | <p>Pupils / School Grounds</p> | <p>All School Council Members</p> | <p>Off the back of suggestions around play equipment, the school council team decided that they would like to help look after the store better by becoming "shed monitors". At the end of every breaktime and lunchtime they will monitor the shed to ensure things get put away correctly and neatly. They have also made badges for themselves too!</p> |  |
| <p>National Story Telling Week Competition</p> | <p>Pupils</p> | <p>All School Council Members.</p> | <p>To help promote National Storytelling Week (30th Jan – 6th Feb), the councillors have decided to hold a storytelling competition. Pupils have been asked by the team to write a story (true or made-up) which will then be put through to judging. The winners will receive a small prize and have their story read out across the assemblies during National Storytelling Week.</p> |  |
| <p>Foodbank Donation</p> | <p>Community</p> | <p>All School Council Members.</p> | <p>A child in school approached school council looking for help with donations for the local foodbank. The council team got together to make posters and spread the word to their classes. We will be taking donations between now and half-term.</p> |  |
