

Tranmere Park Primary School

The government has provided additional funding of £150 million each academic year from 2013/2014 to 2022/2023 to improve provision of physical education and sport in primary schools. This funding has again been allocated to schools for the academic year 2023/2024 and is ring-fenced, therefore can only be spent on provision of PE and sport in school.

Our total grant for 2023/2024 is £18,720 and £ 17,183.28 carried over from the previous academic year.

How will we invest this at Tranmere Park Primary School?

At Tranmere Park, we have developed a provision plan to ensure this funding is invested to maximise the long term impact of our PE provision for pupils and staff. The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, staff and pupil feedback, uptake of clubs etc.

Provision Plan for 2023-2024

Appendix

Ofsted directs inspectors to consider the impact of the funding on pupils' lifestyles and physical wellbeing by taking account of the following factors (as listed in Subsidiary guidance: Supporting the inspection of maintained schools and academies Ofsted, January 2014; reference no: 110166)

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills

7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health
