Dear parent/carer

Over the next few weeks, your child will be given some KS2 SAT Buster Books to help with the preparation for the SATs tests in May.

We plan to guide the children to a specific section each week as homework to consolidate work being done in class. They should complete the section at home and mark themselves: they have been provided with the answers. It is intended that the children work independently on the work set so they can ascertain which areas they still need help with. If the children are struggling on a certain area and feel they need more help, then they need to inform their class teacher.

If you have any further questions, please contact the class teacher.
